Dear Members and Friends,

Herewith the very sad message of our chairman, Mark Northway, informing us of the death of Roger Ganser, former WFI Chair.

It is with deepest sadness that I must inform you of the death of former WFI Chair, Roger Ganser on 16th July, following a long struggle with an insidious illness.

Roger was awarded a Bachelor of Education from the University of Wisconsin, Whitewater, and a Master of Public Administration from the Rockefeller School at Stater University of New York - Albany.

In 2001, he was awarded an Ernst and Young Entrepreneur of the Year Award for his role in the creation of a venture capital industry in Wisconsin.

Since retirement, Roger was a great advocate for investor education, serving in a variety of roles.
